Gentlemen:-

This is to inform you that beging to-night, March 17th, the first signal from our nightwatchman, in our Museum at 617 West 155th St. will be given at eight (8) o-clock P. M. The signals will be given hourly thereafter until Five (5) o-clock A. M. at which hour the watchman goes off duty.

The reason for this change is that we are changing night-watchmen, W. S. Youmans taking the place of Hubert O'Donnell.

Very truly,

Assistant to Curator
